Quarantine Rules:

All horse owners will adhere to the following guidelines while their horse(s) are in quarantine. Quarantine period is 10 days unless special circumstances arise.

- a. No nose-to-nose contact.
- b. Quarantined horses may not use the common areas (e.g. arenas, round pens, and wash racks).
- d. All vaccinations and Coggins must be in compliance with the base veterinarian standards and proof must be turned into the SGRC no less than 72 hours prior to horses entering the club facility. Currently Coggins & Rabies vaccinations are due yearly. 5Way and West Nile are due every six months.

Horses must be checked into and out of quarantine by any executive board member between the hours of 8am and 8pm. There will be a \$50 after hours fee for horses arriving between the hours of 8pm and 8am. Additionally, all parties concerned must sign a completed membership application, contract and waiver. The membership dues of \$50, Stall deposit of \$50, and 1st month's board or prorated board, based on the number of days remaining in the month as of the day the horse is brought into quarantine, are due when this application is turned in.

In the event your horse cannot be brought in on the scheduled date, one-week notice is needed to reschedule quarantine. A new quarantine date may be assigned at a later date, depending on availability of the quarantine area. Failure to give one-week notice will result in **NO** refund of monies paid.
