# SCARLET & GOLD RIDING CLUB

## Stables Rule and Regulations

---

It is the desire of the Club our facility be a safe and fun place for our members and their guests. Please familiarize yourself with the following rules and regulations and abide by them.

1. The members are responsible for the conduct of family members and guests at all times.
2. Do not feed or handle another member's horses without permission from the owner.
3. Privately owned vehicles (POV) will be allowed inside the stable gates for dropping off feed, heavy tack, etc., or for hooking up horse trailers. POVs are not to be parked inside the fence, driven down the lanes, into any turnout, isolations, sick paddocks or quarantine without permission from the Executive Board or employee. Should the first outside parking lot be full, parking will only be permitted on the front side of barn 1. Should a member be transporting a horse(s) to or from the SGRC facility, the POV can be connected to a trailer while caring for horses that are being or have been transported. No riding, training or caring for other horses until the POV is moved back to the parking area.

PLEASE MAINTAIN A SAFE SPEED AND LIMIT VEHICLE TRIPS INSIDE THE GATES FOR THE SAFETY OF ALL CONCERNED.

4. Dogs and/or pets are not permitted on the stable grounds. Appropriate numbers of barn cats are allowed to keep the rodent population under control.
5. Any drinking of alcoholic beverages shall be done when the Executive Board announces that it is permitted at SGRC functions. If you have consumed too many beverages, you may not handle or ride a horse. No public intoxication on stable grounds.
6. Smoking is not allowed anywhere on the property of Scarlet & Gold Riding Club, it must be conducted outside the white fence.
7. Parents or guardians are responsible for cleaning up after their children. Children under the age of 7 must be under the direct supervision of a member not less than 16 years of age. Direct supervision is described as: immediate intervention is possible if a problem occurs.
8. No one is permitted in The Club Office, Maintenance Office, Hay Barn or Shavings Bin unless escorted by an employee or board member.
9. All riders must wear approved helmets while jumping a horse. Parents or guardians are responsible for the safety of minors.

Last Updated 2/23/2015

10. All horses must be ridden at a walk outside of the riding arenas. Riding is not permitted inside any structures or turnouts.
11. Horses cannot be lunged outside of the riding arenas.
12. Horses will not be allowed to run free in the club common areas. However, horses can run free in any arena provided the owner is present and no one is prevented from using the arena.
13. Stalls must be clearly marked with horse's name and an emergency contact number.
14. The stables are in no way responsible for the behavior of horses in the pastures. Contact the Vice President for any matters that concern the turnouts.
15. When horses are in turnouts or stalls there must be a usable halter and lead in close proximity.
  - a. Halters must be removed when horses are in turnouts or stalls.
  - b. If a halter must be left on, only "breakaway" halters may be used.
16. For use of sick paddocks and isolation area, make arrangement with the Vice President or employee. In cases where neither person is available make arrangements with any board member. Sick paddocks and isolation must be cleaned on a daily basis.
17. All immunizations, coggins and worming must be kept current and in accordance with the Base Veterinarian requirements.
18. Horse owners are responsible for cleaning up after their horse(s) at the wash rack or tack lines.
19. No forms of feed in turnouts. No feeding of hay or grain at the tack lines, wash rack or in the round pen. Treats are allowed at the tack lines, was rack and in the round pen as long as any scraps are picked up by the owner.
20. If round bales are used, all hay not consumed must be picked up and properly disposed of.
21. Stalls must be cleaned on a daily basis after turning your horse out and before you leave the facility. Also, if horses are in stalls for a 24 hour period the stalls need to be cleaned both am and pm. Cleaning means removal of all manure and urine from the interior of the stall. All stalls will be maintained with an adequate amount of shavings so that urine is absorbed sufficiently.
22. Clean up after yourself and your family. Place all trash in receptacles.
23. NO bicycles, tricycles, bike trailers or scooters allowed beyond barn 1.

Late Update 2/23/2015

24. Farriers, Vets, Massage Therapist or Chiropractors must be completed in designated area. For the health and welfare of the horses, services can be performed in the assigned stall or in the club's sick stall. In case of severe or inclement weather where wind is a factor, services may be performed in barn 1 in front of The Club Office.
25. Horse owners or representatives are responsible for checking on horses on a daily basis.
26. The SGRC tractors are to be used for club purposes only. Members are not allowed to use the tractors for personal use or gain such as but not limited to feeding, grooming and bringing tack to their trailer or horses.
27. Any person under the age of 18 years old MUST wear an equine approved helmet when riding a horse aboard the installation of Camp Lejeune to include the beach.
28. SGRC will comply with applicable fire and safety regulations, environmental laws, local, state, and Federal tax codes, and any other applicable statutes or regulation.
29. SGRC volunteers whom have contact with children under the age of 18 must submit to a background check, to be paid for by the SGRC. SGRC will share the results of all adverse background checks with MCCS.
30. All members will store equine food, supplements, additives and medications of any kind in a nuisance animal proof container as in accordance with the guidance of the Base Game Warden and/or Base Wildlife Management Offices respectively.
31. Stall Guards only permitted while owner is present.
